WORK EXPERIENCE

Tata Consultancy Services

System Engineer at TCS

Oct -2021 - Feb - 2025

- Developed responsive web and mobile applications using Angular and Ionic.
- Designed dynamic, reusable components to enhance front-end functionality.
- Improved application performance by optimizing UI and reducing load times by 30%.
- Collaborated with cross-functional teams to deliver scalable solutions on time.
- Integrated REST APIs for seamless communication between front-end and back-end systems.
- Ensured data accuracy and consistency in complex workflows.
- Followed best practices to maintain code quality and scalability.
- Delivered efficient solutions under tight deadlines while meeting business requirements.

SKILLS

- Angular (v14+)
- Javascript
- Typescript
- Ionic Framework
- HTML5 & CSS3
- Git
- Rxjs
- NgRX

EDUCATION

Sastra University

Master's of Computer Application - 8.2 CGPA

Feb 2022 - Mar 2024

M.G.M DR. G.Y.Pathrikar College, Aurangabad

Bachelor's of Computer Application

July 2018 - Mar 2021

PROJECT

Trawiz Application

Oct - 2021 - July 2023

- Improved application performance by 20% by leveraging Angular features like lazy loading.
- Enhanced user experience by designing responsive UI components
- Optimized API integration, reducing data retrieval time by 30%.

Payroll and Compensation Application

July 2023 - Present

- Developed reusable components in Angular, reducing development time for new features by 40%.
- Improved UI performance by 30% through advanced optimization techniques.
- Ensured 100% accuracy in compensation data visualization, supporting decisions for over 10,000 employees.

Angular CRUD Application

- Designed and implemented a CRUD application using Angular v16 and Signals, focusing on seamless state management and reactivity.
- Leveraged IndexedDB for efficient client-side storage, enabling offline functionality and fast data retrieval. Implemented key features such as dynamic form handling, data persistence, and robust error handling to ensure a smooth user experience.

AWARD

On the Spot Award Tcs- 2022

Service and Commitment Award Tcs- 2024
